## EXPERIENCE

### **Morrison roofing, Billings, MT — roofing laborer**

01/2018-05/2020

Loaded and unloaded materials onto or from pallets, trucks, and other vehicles

Assisted with basic maintenance tasks such as sweeping, mopping, painting and cleaning.

Worked with team members to ensure efficient workflow throughout the day.

Transported heavy items from one location to another using hand trucks or carts.

Stacked and arranged products on pallets according to size and weight requirements.

Unloaded freight from containers and organized them for storage in designated areas.

Performed regular checks of equipment for proper operation and safety compliance.

Lifted objects weighing up to 50 pounds without assistance when necessary.

Ensured that all personal protective gear was worn at all times while on the job site.
